

Theologia AI — UI Build Plan

Remaining surfaces - Prioritized by phase

■ End-User Surfaces			
Surface	Description	Priority	Phase
Teach Me Learning Paths	Member inputs a topic (e.g. 'Jesus Prayer') -> multi-session path ordered by depth (intro -> intermediate -> advanced) with per-session progress tracking.	High	Phase 2
Study Packet Export	Query: 'Compile everything on humility' -> downloadable PDF grouped by Father with source citations and page references.	High	Phase 2
Query History	Browsable log of past sessions with full answers, tier classification, and citation links. Filterable by date and topic.	Medium	Phase 3
Embeddable Widget	The full chat UI as a JS snippet embed for Circle.so communities and external parish/seminary websites.	High	Phase 3
■■ Admin Surfaces			
Surface	Description	Priority	Phase
System Prompt Editor	Edit tenant theological guardrails with live preview mode — test 3 sample queries before committing changes.	Critical	Phase 1
Tenant Configuration Panel	Per-tenant settings: language, model preference (Sonnet vs Opus), corpus visibility, branding (logo, colors, domain).	Critical	Phase 1
Team Management	Add/remove Content Managers and Reviewers; assign roles with scoped permissions per tenant.	High	Phase 2
Billing & Usage Dashboard	Plan tier, query count vs. limit, overage charges, and one-click Stripe customer portal link.	High	Phase 2
Run Trace / Debug View	Full agent-by-agent debug trace for any run_id. Developer tool for diagnosing retrieval or citation failures.	Medium	Phase 3
■■ Governance Surfaces			
Surface	Description	Priority	Phase
Synodal Governance Tree	Visual hierarchy of policy nodes: Global -> Jurisdiction -> Diocese -> Seminary -> Parish -> Monastery, with rule inheritance indicators.	High	Phase 2

Citation Resolver	Reviewer UI to classify citations: Exact / Paraphrase / Allusion / Misattributed / Unresolved. Feeds attestation audit.	High	Phase 2
Attestation Viewer	Full source audit object per document: origin corpus, confidence score, resolution status, reviewer sign-off.	Medium	Phase 3

■ Acquisition Surfaces			
Surface	Description	Priority	Phase
Marketing Landing Page	SSR Next.js page: pricing tiers (\$50/\$150/\$350/Enterprise), competitive positioning table, Orthodox Ethos as founding partner case study.	Critical	Phase 1
Onboarding Wizard	New tenant signup flow: starter corpus selection -> system prompt template -> first content upload -> trial activation.	Critical	Phase 1
Pricing / Stripe Checkout	4-tier pricing cards, 14-day free trial CTA, founding partner coupon code field, Stripe Checkout integration.	Critical	Phase 1
